[1.9] Total Area on Campus Covered in Forest Vegetation square meters.

WALAILAK UNIVERSITY

[1.9] Total Area on Campus Covered in Forest Vegetation : 3,753,172.8 square meters

Walailak University has the total area of 9,594 rai or 15,350,400 square meters and the abundant forest area of 2,345.73 rai or 3,753,172.8 square meters. We have received fund to establish the nature and ecological museum serving the Plant Genetic Conservation Project which is under the royal initiative of Her Royal Highness Princess Maha Chakri Sirindhorn. The purpose of this establishment is for study and research and also for conserving the plant and flower species founded in the South of Thailand. It is the open-air museum located in the greenery forest area of the campus.
